

RANCHEROS
— rodízio bar & grill —

Welcome to RANCHEROS Rodízio Bar & Grill, we hope you enjoy your time with us. Please sit back, relax and enjoy full table service.

Rodízio is a traditionally Brazilian all-you-can-eat steakhouse restaurant, where "Pasadors" will come to the table with knives and a skewer, on which are speared various cuts of meat – served right off the cooking spit and sliced or plated at your table.

You should each be given your own double-sided card:

Green lets the pasador know that you would like more meat. The red side indicates you have had enough meat for the moment.

There is also a card for non-meat eaters, which lets the Pasador know not to offer you any meat dishes.

For hot and cold buffet, please order any two dishes per person, then one dish thereafter until full.

It is our aim to provide all our guests with delicious freshly cooked dishes. However, we cannot guarantee that every dish listed will be available every day.

Please note for Rodízio service there is a time restriction of 1hr 30mins for a table of two and 2hrs for up to six people. Last seating for lunch menu is 4pm and 8:30pm evenings.
